(10+2)) /equivalent examination OR 55% marks in Bengali/English/Hindi in the previous qualifying examination AND pass in English (with full marks of 100)	A minimum of 40% marks in the aggregate and 40% marks in Bengali/English/Hindi in H.S. (10+2) /equivalent examination AND pass in English (with full marks of 100)
EDUCATION (EDCA)	A minimum of 50% marks in the aggregate and 45% marks in Education/Philosophy/Sociology/Political Science/Psychology/History/Economics/Mathematics in H.S. (10+2) /equivalent examination OR 55% marks in Education/Philosophy/Sociology/Political Science/Psychology/History/Economics/Mathematics in previous qualifying examination AND pass in English (with full marks of 100)	A minimum of 40% marks in the aggregate and 40% marks in Education/Philosophy/Sociology/Political Science/Psychology/History/Economics/Mathematics in H.S. (10+2) /equivalent examination AND pass in English (with full marks of 100)
BOTANY (BOTA)	A minimum of 50% marks in the aggregate and 45% marks in Biology /Biotechnology in H.S. (10+2) /equivalent examination OR 55% marks in Biology /Biotechnology in previous qualifying examination.	A minimum of 40% marks in the aggregate and 40% marks in Biology /Biotechnology in H.S. (10+2) /equivalent examination.
CHEMISTRY (CEMA)	A minimum of 50% marks in the aggregate and 45% marks in Chemistry & Mathematics in H.S. (10+2) /equivalent examination OR 55% marks in Chemistry and 45% marks in Mathematics in previous qualifying examination.	A minimum of 40% marks in the aggregate and 40% marks in Chemistry & Mathematics in H.S. (10+2) /equivalent examination.
COMPUTER SCIENCE (CMSA)	A minimum of 50% marks in the aggregate and 45% marks in Computer Science/Computer Application/Mathematics OR 55% marks in Computer Science/Computer Application/Mathematics in the previous qualifying examination	A minimum of 40% marks in the aggregate and 40% and Computer Science /Computer Application/ Mathematics in H.S. (10+2) /equivalent examination
ELECTRONICS	A minimum of 50% marks in the aggregate and 45% marks Electronics/Physics and	A minimum of 40% marks in the aggregate and

(ELTA)	40% marks in Mathematics in H.S. (10+2) /equivalent examination OR 55% marks in Electronics/Physics and 40% marks in Mathematics in previous qualifying examination.	40% marks in Electronics/Physics and 40% marks in Mathematics in H.S. (10+2) /equivalent examination.
MATHEMATICS (MTMA)	A minimum of 50% marks in the aggregate and 45% marks in Mathematics in H.S. (10+2) /equivalent examination OR 55% marks in Mathematics in previous qualifying examination.	A minimum of 40% marks in the aggregate and 40% marks in Mathematics in H.S. (10+2) /equivalent examination.
PHYSICS (PHSA)	A minimum of 50% marks in the aggregate and 45% marks in Physics and Mathematics OR 55% marks in Physics and 45% marks in Mathematics in the previous qualifying examination	A minimum of 40% marks in the aggregate and 40% marks in Physics and Mathematics in H.S. (10+2) /equivalent examination
FOOD AND NUTRITION (FNTA)	A minimum of 50% marks in the aggregate and 45% marks in Chemistry and Biology in H.S. (10+2) /equivalent examination OR 55% marks in Chemistry and Biology in previous qualifying examination.	A minimum of 40% marks in the aggregate and 40% marks in Chemistry and Biology in H.S. (10+2) /equivalent examination.
PHYSIOLOGY (PHYA)	A minimum of 50% marks in the aggregate and 45% marks in Biology / Biotechnology in H.S. (10+2) /equivalent examination OR 55% marks in Biology /Biotechnology in previous qualifying examination.	A minimum of 40% marks in the aggregate and 40% marks in Biology /Biotechnology in H.S. (10+2) /equivalent examination
ZOOLOGY (ZOOA)	A minimum of 50% marks in the aggregate and 45% marks in Biology /Biotechnology in H.S. (10+2) /equivalent examination OR 55% marks in Biology /Biotechnology in previous qualifying examination.	A minimum of 40% marks in the aggregate and 40% marks in Biology /Biotechnology in H.S. (10+2) /equivalent examination.
ECONOMICS (ECOA)	A minimum of 50% marks in the aggregate and 45% marks in Mathematics in H.S. (10+2) /equivalent examination OR 55% marks in Mathematics in previous qualifying examination	A minimum of 40% marks in the aggregate and 40% marks in Mathematics in H.S. (10+2) /equivalent examination
GEOGRAPHY (GEOA)	A minimum of 50% marks in the aggregate and 45% marks in Geography in H.S. (10+2) /equivalent examination OR	A minimum of 40% marks in the aggregate and 40% marks in Geography in H.S. (10+2) /equivalent examination

	55% marks in Geography in the previous qualifying examination	
B.Com (H) FACA	Aggregate: 50% in H.S. (10+2) and Accountancy/Business Economics including Business Mathematics/Business Organization/Mathematics/Economics/Statistics/Commerce/ Accounts/Business Studies/Financial Accounting/Office Management and Secretarial Practices/Elements of Cost Accountancy and Auditing/Book Keeping/Business Mathematics/Cost Accountancy and Principle of Management: 45% in H.S. (10+2) OR Accountancy/Business Economics including Business Mathematics/Business Organisation/Mathematics/Economics/Statistics/Commerce/Accounts/Business Studies/ Financial Accounting/Office Management and Secretarial Practices/Elements of Cost Accountancy and Auditing/Book Keeping/Business Mathematics/Cost Accountancy and Principle of Management: 55% in the previous exam of H.S. (10+2)	Aggregate : 40% in H.S. (10+2) and Accountancy/Business Economics including Business Mathematics/Business Organisation/Mathematics/Economics/Statistics/ Commerce/Accounts/ Business Studies/Financial Accounting/Office Management and Secretarial Practices/Elements of Cost Accountancy and Auditing/Book Keeping/Business Mathematics/Cost Accountancy and Principle of Management: 40% in the previous exam of H.S. (10+2)
Advertising and Sales Promotion Hons (ASPA)	Aggregate: 50% in H.S. (10+2) and Accountancy/Business Economics including Business Mathematics/Business Organisation/Mathematics/Economics/Statistics/Commerce/Accounts/Business Studies/Financial Accounting/Office Management and Secretarial Practices/Elements of Cost Accountancy and Auditing/Book Keeping/Business Mathematics/Cost Accountancy and Principle of Management: 45% in H.S. (10+2) OR Accountancy/Business Economics including Business Mathematics/Business Organisation/Mathematics/Economics/Statistics/Commerce/Accounts/Business Studies/Financial Accounting/Office Management and Secretarial Practices/Elements of Cost Accountancy and Auditing/Book Keeping/Business Mathematics/Cost Accountancy and Principle of Management: 55% in the previous exam of H.S. (10+2)	Aggregate 40% in H.S. (10+2) and Accountancy/Business Economics including Business Mathematics/ Business Organisation/Mathematics/Economics/Statistics/ Commerce/Accounts/Business Studies/Financial Accounting/Office Management and Secretarial Practices/Elements of Cost Accountancy and Auditing/Book Keeping/Business Mathematics/Cost Accountancy and Principle of Management: 40% in the previous exam of H.S. (10+2)

Prof (Dr.) Subhranil Som

Dr.Tarasankar Maiti & Dr. Saurav Shome

Principal

Joint-Convener, Admission committee 2022-2023
